

## Colloquium

### **Matthew Diethelm**

UTEP 2010 Gold Nugget Award recipient, BS Mathematics '63

**Friday, October 08, 2010 at 3:30 pm in Biosciences Building BIO SCI 2.168**

#### An Education Without Limits

Dr. Diethelm presentation is a call to action for everyone in the academic community to encourage all children/youth to maximize their education. He also will discuss some notes on how the professional workplace depends on the academic knowledge and skills but demands totally different or unique application.
